

The Monroe Institute Outreach Release and Registration Form

(to be completed by participant prior to attending workshop)

The Outreach Excursion Workshop remains an evolving training program of The Monroe Institute. The Outreach Facilitator(s) retains the right to determine if I may or may not continue with the sessions and Program. If she or he deems me unsuited for continuation in a session or in the whole program, she or he will return the balance of my fee on a pro-rated basis.

In consideration of the mutual benefits which are expected to arise out of the activities in which I intend to engage which are designed by The Monroe Institute, and especially the educational and other benefits which I expect to derive, I release the Outreach Facilitator(s), The Monroe Institute and all related persons, from all claims and demands which I have, or may have, against them by reason of any injury of any nature which I might suffer as a result of such activities. I declare that I enter into these activities voluntarily in an effort to increase my knowledge of the subjects under investigation.

I have read, understand, and agree to the above.
